

**CITY OF LOCKPORT
APPLICATION FOR NEW BUSINESS PERMIT**

Welcome to the City of Lockport!

As the City wants to ensure that you, your employees, and the public's health, safety and welfare are provided for, before your business opens, we need to make sure that the building meets the minimum requirements and standards for your business. ***Refer to attached Information Sheet for Zoning, Building, Fire, Health and Liquor License requirements and contact information.***

Complete this application and submit to the Building Department. Once your pre-inspections have been completed, we will contact you to issue the permit so you may move into your space and begin set-up for the business. A floor plan layout may be required; you will be notified upon initial review of the application whether one is necessary.

Any misrepresentation or falsification of the information requested may result in revocation of the permit and fines may be applicable.

Please Note: You may NOT open for business until you have received a certificate of occupancy. Opening prior to obtaining an occupancy certificate will result in penalty fees being assessed.

NEW BUSINESS PERMIT APPLICATION INFORMATION SHEET

All businesses operating within the City of Lockport are required to comply with current signage, zoning, building, fire and health codes:

Zoning	Sign Permits	A permit is required for temporary & permanent business signs. Signage for a business located in the Historic District may require a Certificate of Appropriateness.
	Zoning Use	Verify that your business can operate under the zoning district for your business location.
	Special Use Permits	A special use permit may be required for certain uses.
	Contact	Planning/Zoning Department (815) 838-0549 option 4
Building	Construction/Renovations	Any construction and/or building renovations shall be subject to review and inspection by the Fire District. A pre-inspection needs to be performed prior to any interior work and/or set-up for the business. A second inspection needs to be performed after all interior work and/or set-up has been completed. Prior to performing work, check with the Building Department regarding the need to secure any permits necessary for such work. Any exterior alteration to a building located in the Historic District requires a Certificate of Appropriateness.
	Contact	Building Department (815) 838-0549 option 5
Fire	Safety Inspections	Any construction and/or building renovations shall be subject to review and inspection by the Fire District. A pre-inspection needs to be performed prior to any interior work and/or set-up for the business. A second inspection needs to be performed after all interior work and/or set-up has been completed.
	Contact	Depending on your location: Lockport Township Fire District (815) 838-3287 Homer Township Fire District (815) 836-2710 Northwest Homer Fire District (815) 838-0180
Health	Review & Inspections	If food is being served, the Will County Health Department will need to approve the facilities and procedures. This includes any pre-packaged food sales.
	Contact	Will County Health Department (815) 727-8490
Liquor Commissioner	Liquor License	A liquor license is required to serve or sell liquor in the City of Lockport.
	Hours of Liquor Operation	Hours depend on the classification of the license.
	Contact	City Clerk's Office (815) 838-0549 x 2121
