## FOR IMMEDIATE RELEASE

### **Thimbles Partners with Illinois Department of Public Health for Shot & Shop Vaccination Event**

Lockport, Illinois – Thimbles has partnered with the State of Illinois Department of Public Health to turn the quilt and sewing shop into a free COVID-19 vaccine clinic.

Thimbles' **Shot & Shop** event takes place at 940 S State Street in Lockport, Illinois, with first dose vaccinations administered on Tuesday, October 12, from 10:00 am to 3:00 pm. The free clinic returns on Tuesday, November 2, from 10:00 am to 3:00 pm for second dose vaccinations. Visitors are also encouraged to attend for a third booster shot during these times. Attendees planning on receiving a booster vaccination must bring their Vaccination Record Card. Vaccinations are available for persons 12 years of age or older.

Thimbles is proud to assist with the Illinois Department of Public Health's COVID-19 vaccination efforts to help ensure the health and safety of the citizens of Illinois. In addition to receiving a COVID-19 vaccination, visitors to Thimbles' Shot & Shop event will receive a free SCHMETZ Twin Sewing Machine Needle.

To sign up to receive your first dose, second dose or booster vaccination at Thimbles' Shot & Shop event, please register in advance at <https://events.juware.com/IL-IDPH/w77s9/1069966/> OR just drop in without an appointment!

**Thimbles is a sewing destination store for sewists in the Chicagoland area.** Located in an historic 1870's building with over 3000 bolts of fabric, the friendly staff and fun environment make Thimbles a positive experience for all. They are a full-line quilt shop with fabric, books, patterns, and notions. While representing the entire line of Baby Lock and BERNINA sewing machines, they are also a Koala Cabinet Showcase Dealer. Fun clubs as well as classes for all experience levels are offered. Visit and be inspired and receive the best education and support obtainable!
