Contractor Registration:

All contractors doing work within the City of Lockport are required to be registered. No permits will be issued if the contractor is not registered. A copy of a City of Lockport Certificate of Registration is required to be submitted with all applications.

**If you are doing the work as the homeowner, registration is not required.

Submittal:

- Plat of survey, showing dimensions of proposed driveway, driveway extension or existing dimensions if replacement. Survey must also show all current conditions of property including any structures (decks, sheds, garages, pools, etc.) and flat work (driveways, patios, services walks, etc.)
- If contractor will be doing work, a City of Lockport Certificate of Registration is required.
- Completed application

*Driveways may not be placed in any easements
