Customer Copy, Please retain for your records, Automatic Utility Payment Plan Authorization Agreement

I hereby authorize the City of Lockport and the designated financial institution, to deduct directly the FULL amounts necessary to make automatic payments for water/sewer/garbage services provided by the City, from my specified checking account. I understand and acknowledge the following: Automatic payment of the billed amount, via transfer of funds from my designated account, will be made every month on the bill's due date (the 15th of the month). The City will make only one attempt every month to transfer the funds from my account in order to pay my bill. If there are insufficient funds in my account to cover the full amount due on the transfer date, I will be assessed a \$25 insufficient funds fee by the City of Lockport, and may also be charged by my financial institution. If the City is unable to collect my billed amount twice, due to insufficient funds, I will be dropped from the automatic debit program. The City of Lockport will not be held liable or responsible for the payment of any overdraft charges or other bank fees as a result of an attempted transfer from my account containing insufficient funds. I will remain liable and responsible for payment of any water/sewer/garbage bill for services provided by the City, which remains unpaid as a result of an unsuccessful attempted transfer from my account containing insufficient funds. It is my responsibility to contact the City of Lockport and my financial institution to cancel this program upon moving to another location or if I wish to no longer take part in the program. I understand that this authorization will remain in effect until the City of Lockport and the financial institution have received written notification from me terminating this service or until the City or the financial institution has sent me written notice of termination of this arrangement. A written notice from me must allow a reasonable amount of time to allow the City and the financial institution to act upon it. I have attached a voided check, which shows the account to be debited. I understand that automatic payments will begin on my second bill following submittal of my application.
